(Financial advisory and service)
- **Asset Management & Legal Advisory**
(Curation & valuation expertise)
- **Partnership Networks**
(Worldwide network)

What's Trending

- Latest 3 articles from Passion & Lifestyle
- Example: '5 Classic Cars Worth Investing in 2026'
- Link to full Alpha Club content hub

Design Direction

- Dark-mode cinematic feel
- Mobile-first layout — loads < 2 seconds
- Smooth scroll with micro-interaction reveals

Key CTAs on This Page

- [Discover More] — anchor to Expertise
- [Contact Us] — connect to Phone

SEO Targets

- Luxury Asset Financing Thailand
- Private Wealth Management Bangkok
- Art/Watch/Property/Goal Investment Advisory

Our Identity

- Company vision, mission, & founding story (storytelling format)
- Expert team profiles — Professional + Lifestyle tone
- Awards, credentials & media channels

Design Notes

- Avoid dense company-info paragraphs
- Use infographic timeline for company history

Brand Values - ([UI guideline](#))

- Passion — driven by genuine love for alternative assets
- Expertise — deep financial & market knowledge
- Exclusivity — curated access for a selected audience
- Trust — transparent, discreet, and reliable

What to Show Here

- Company milestones & awards timeline
- Vision statement in large editorial typography
- CTA: Learn More About Our Approach (Link to Expertise page)

02 — OUR PRODUCTS

The Core — Three Pillars

Credibility-first architecture — solution-based presentation

Luxury Car Financing

Yatch/River Boat Financing

Aircraft Financing

Luxury Property

Goal-backed Finance

Interactive Features

- Animated infographics when user scrolls into view and display high-level customer journey to enroll the service

NOTE · Present products as SOLUTIONS, not services — focus on 'what you gain', not 'what we sell'.

The Collector

- Deep-dive articles: Watches, Art, Classic Cars
- Asset Spotlight series (การลงทุนกับบ้านที่อังกฤษ)
- 'Art as Collateral: Future of Finance' editorial

The Explorer

- Private Golf Club reviews (worldwide)
- Private travel & hidden gems abroad
- The Alpha Experience destination reviews

The Connoisseur

- Fine Dining & premium beverage features
- Whisky, wine deep-dives
- Elite Networking — partner/thought-leader interviews

Alpha Events

- Company News & PR milestone updates

Content Strategy

- Publish cadence: 1 article per week (minimum)
- Social share + save-for-later functionality
- SEO & AEO: 'Art Investment Thailand', 'Private Golf Club'

05 — CONTACT & INQUIRY

Direct Access

Conversion close — minimal friction, maximum elegance

Contact — Direct Access

- Minimal, elegant inquiry form (max 5 fields)
- Google Maps integration — office location
- LINE / direct channel buttons
- Multi-language toggle: TH ⇄ EN (smooth transition)

Contact — UX Notes

- Form should feel personal — avoid generic labels
- Add 'How did you hear about us?' optional field
- After submission: personalized thank-you message
- Response SLA shown: 'We reply within 24 hrs.'

Key CTA Strategy

- Single primary action: 'Send Inquiry'
- 'Schedule a Call'
- Line OA chat
- Add Call Button that directs clients to phone call

Technical Requirements

- Auto-reply email on submission
- Policy tab and cookie consent.

NOTE · Contact form should feel like reaching out to a personal advisor — warm, professional, unhurried.

TECHNICAL SPECS

Mobile	Test scope will focus on fully responsive only
Performance	< 2s load time — Web images, CDN delivery
Security	Data Privacy Compliance & Align with SCBX group security standard (Including VA, PENTEST and Source Code scan)
Languages	Thai / English — smooth toggle
Inquiry form	form + auto-confirmation email + export
SEO	Structured data, keyword-optimized clean code

Analytics	GA4

PROJECT TIMELINE

8-Week Development Plan

KEY DELIVERABLES PER PHASE

Phase A (WK 1) → Approved wireframe + UI mockup sign-off before development begins

Phase B (WK 2-5) → Staging URL shared for client review at end of each development week

Phase C (WK 6-7) → UAT checklist: mobile QA, speed test (< 2s), CMS walkthrough

Phase D (WK 8) → Go-live checklist: SSL active, GA4 live, all links verified, 301 redirects set
